## HIGH QUALITY EDUCATION AND CARE

Mi Kinder is situated in the heart of Fourways and caters for children from 3 months to 6 years of age.

We have a long-standing history and a dedicated team that has worked together for many years, offering consistency and creating a safe, nurturing, and stimulating environment. This stability provides our children with the best possible foundation in life.

Our well-qualified and experienced teachers and caregivers equip our children with the essential tools they need to grow, develop, and reach their full potential.

We believe that every child learns in their own unique way and at their own pace. Each child is capable of learning and achieving success.

Our curriculum is carefully structured as a play-based, dynamic, and engaging learning experience that supports each child's growth and confidently prepares them for both South African and international primary education.

Our doors open at 6:30 am, and aftercare is available until 6:00 pm.

Holiday Club is offered during school holidays.

The Mi Kinder curriculum includes Spanish lessons, Music Nuts, Moving Smart (Gross Motor Development Programme), and Powerful Minds.

# BABY AND TODDLERS CENTRE

Our Baby and Toddler Centre caters for children from 3 months to 3 years

We follow a daily routine that includes developmentally appropriate stimulation, allowing children to explore and discover the world through their senses and movement.

Our Centre is safe, well-equipped, and designed specifically for our youngest learners. It is divided into four distinct areas where children rotate throughout the day to ensure stimulation across all areas of learning:

- A large playground
- An outdoor sensory-messy play area
- A classroom designated for art, fine motor and mealtimes
- A spacious indoor play and fantasy play area

- We have a cot room for our youngest babies to have a peaceful sleep.

Our Toddler classes are divided into two groups: the Owls class, catering for the youngest children from 3 months, and the Penguins class, designed for older toddlers approaching 3 years.

Our Centre is supervised by one or two educators and teacher assistants, with staffing ratio adjusted according to the number of children.

# INTRAMURAL ACTIVITIES

Every week, our children enjoy a well-developed intramural activities program.

Children attending three times a week, as well as those enrolled under Fee Options 2 and 3, may not have access to certain intramural activities. These activities are reviewed annually.

## MUSIC NUTS

We offer Music program once a week for all our children as it develops:

- Music appreciation and readiness for formal music training.
- Creativity and imagination.
- Fine and gross motor skills.
- Rhythmic skills which facilitate numeracy and literacy

## MOVING SMART

Mi Kinder includes Moving Smart once a week as we believe that the foundation of growth, development and learning in a child starts with sensory and motor intergration,...

## SPANISH CLASSES

Mi Kinder Educational Centre provides a Spanish program for all our children.

Early second language learning is beneficial to your child because of: better linguistics, cognitive benefits, auditory processing development, higher academic achievement and cultural enrichment.

## POWERFUL MINDS

Our Powerful Minds lessons are offered once a week for our preschoolers. This program equips children with tools that promote emotional well-being, positive behavior, and self-awareness. Through engaging, playful activities, children learn to manage their emotions, practice empathy, build strong relationships, and develop essential life skills.

# PRESCHOOL

Our preschool caters to children aged 3 to 6 years. We prepare them for both South African and international primary education systems, including the Cambridge curriculum.
